

Oatlands Public School

growing together for our future

COMING UP ...

From the Principal's Desk

Dear Oatlands Families,

I hope you have had a pleasant fortnight. A couple of messages from me:

- **Road safety** - please try as best you can to arrive at your allocated time. I have had reports that access to the road is being blocked by parents waiting. If you do not fit, please make a safe choice and drive around the block until you do.
- **2018 - 2020 School Plan** - this is the last year for our 2018 -2020 school plan 'Growing Together for our Future'. We will be sharing some of the results with you in celebration of finalising this plan and we will also be seeking your input in informing our next planning cycle. Thank you in advance for your support with this.
- **Learning Support** - Mrs Flaminio and I were recently called upon as experts in a panel to discuss learning support systemes. We were asked to share our successes with around 50 schools. I wanted to congratulate Mrs Flaminio on her significant impact since returning to Oatlands. Our school is very lucky to have her with us.

Please continue to contact us if you need support with your child. Your child's teacher should be your first contact, followed by the Assistant Principals Miss Campbell (KD, K/1J, 1/2U), Mrs Pulera (2C, 3/4D, 3/4K) and Miss Goyen (5/6K and 5/6W).

Thanks again for all your support.
